Case Study · LibriSpeech Ch. 13754 · Duration: 232.62 s · KV budget: 512 tokens

SnapKV — WER = 93.62 %

They knew no north, no south… When Brigham Young passed from earth, he was mourned as Moses of Israel. He had led the people into the land of holy promise, and divided unto them their inheritances.

▸ **Failure onset**

"*…future states shall recognize*"

every future state shall recognize

every future state shall recognize

every future state shall recognize

every future state shall recognize

[repeats ×hundreds …]

AudioKV — WER = 1.09 %

They knew no north, no south… When Brigham Young passed from earth, he was mourned as Moses of Israel. He had led the people into the land of holy promise, and divided unto them their inheritances.

▸ **Coherent continuation**

"*…be recognized every sanctified and authorized relationship existing here, of parent and child, brother and sister, husband and wife. Contracts of marriage must be sanctioned by a power greater than that of earth.*"
